FSC Mission

As the national trade association to the adult entertainment and pleasure products industry, our mission is to lead, protect, and support the growth and well-being of businesses and workers in the adult industry, as well as the communities to which they belong.

FSC's vision is of a world in which the international adult industry, its workers and businesses, have equal rights, protections, and freedoms under the law; and where all people are protected from exploitation, and empowered by age-appropriate sexual health education.
