

Fanexus: A Social Media Platform for Fans by Fans

you are a disgusting freak i hope your death is torturous <3 i hope you die soon soon soon!

if u actually ship stevidot u get the electric chair

Can **sheiths** just **die** out already you're making safe spaces for everyone just feel nasty and uhhh UNSAFE like no one wants to see that shit

 Imagine being pregnant for nine months and then birthing a shallie. This is why abortion exists - 

I can't wait until you get hurt for shipping sheith, nasty fuck.

jfc. your cancer should have killed you if you're gonna ship sheith.

you are nothing.

reylo shippers can all fucking die you deserve to be harassed

Community Guidelines and Moderation

- Faced the challenge of balancing being anti-harassment with being anti-censorship
 - Wider context may need to be taken into account in many cases to evaluate whether something is harassment
- Current group of moderators are mostly fans with prior experience as mods in online spaces, who have experienced harassment themselves
- The moderation process is intended to be transparent

Education and Resources

- Education > Censorship
- Have resources on online safety and mental health disseminated via staff blog
- A compilation of resources will be available on a static page on the site
- A help banner will appear above the search results for certain keywords

Mandatory Tags

#Underage

#Suicide

#Graphic Gore/Deadly Violence

#Graphic Nudity/Explicit Sexuality

#Rape/NonCon

#Chose Not to Warn

Age Restrictions

- Users will be required to indicate if they're minors on sign up
- Pornographic content will be hidden from underage users
- Users will have the option to make their blogs and communities invisible to underage users
- Features added due to popular demand by followers

Features

- Private communities
- Custom privacy settings for individual posts
- Ability to follow or block tags for particular users
- Personal wiki pages
